

Dear Resident,
I'm Adrian Abbs, the current chairman of this association. Please take a moment to read why it helps us all if you join.

It is free, only available to very local residents and ensures, when its needed, that we speak on issues with the loudest possible voice.

Just scan the QR code below and fill in the form.

A quick thanks to Greenham Parish Council for funding this leaflet.

BEING A MEMBER MAKES THE DIFFERENCE

Racecourse Residents Association

Sponsored by

GREENHAM
PARISH COUNCIL

Ensure Our Voice is Heard

IT'S ABOUT **YOU**

Our commitment is to represent **you**.

Not a party and not any vested interest groups.

We all live in or next to the racecourse

YOU will have locals to help to get answers.

We will represent **YOU**.

OUR AREA

Greenham Parish Council have provided funding for this leaflet and are supportive of growing the residents association. They are also looking positively to support other initiatives

The Racecourse ward has 5 Greenham Parish Councillors, a 1/3rd of the 15

THE **ASSOCIATION**

Whether you are from the houses or flats.

Whether you are social or private renters or one of the many who owns their property.

The association is meant for all.

We encourage you to join in and help build the community that lives here.

CAN'T DECIDE?

Joining costs nothing, but ensures your voice is heard when needed!

Initial Aims.

- Having our voice heard whilst working **with** the Racecourse
- To be Non-Party Political.
- Ensuring our voice is heard at Greenham Parish Council
- Ensuring our voice is heard at West Berks Council
- Bringing clarity to local responsibility on issues
- Helping to build a sense of community
- To have our membership represent > 50% of homes who live here.

Liaison's.

We have several committee members who have volunteered to be the liaison's with.

- Greenham Parish Council
- West Berkshire Council
- The Racecourse
- Remus & David Wilson Homes

Check our website for who is currently the liaison for each external body.

<https://racecourse.residentsassociation.org.uk/>

Future projects.

That's where you can join in. Just drop an email to the committee and we can discuss at the next meeting.

We are looking for ideas to help build the community.

rra-committee@residentsassociation.org.uk

We aim to get together every couple of months face to face. Here we discuss what we are doing. The Racecourse CEO came along to our last meeting

Boundary.

The boundary for the Association is defined to match the boundary set out as GB2 which is part of Greenham Parish. This is essentially

- Anyone living on the Racecourse
- Anyone living at Lower Farm (The start of the 1 mile straight)
- Anyone living on Hambridge Lane (i.e. the converted offices in the industrial estate)

Initial Projects.

We have started by collecting issues and bringing them to the attention of the relevant person at the relevant authority. From bins that need emptying, bus shelters that need maintenance to requests for additional facilities and changes to improve access across the area.

We have also put bids in for DeFibs to cover where we live.

Ensuring on site facilities

With 7 blocks yet to be built, it's important we ensure David Wilson Homes deliver the rest of the promised infrastructure when they have finished.

The community centre being the most obvious, but also ensuring the roads are all adopted by West Berkshire Council is a close 2nd.

Your committee has this in mind as we communicate with the relevant interested companies and councillors.
